

Which Yesterday Is Tomorrow?

Dahlia Elsayed & Andrew Demirjian

Transformer is proud to present ***Which Yesterday Is Tomorrow?***, a rest stop for the future based on the past, by artists **Dahlia Elsayed** and **Andrew Demirjian**. This multi-sensory installation reimagines the Silk Road caravanserai as a potential material site for the exchange of ideas and culture.

Drawing upon the vocabulary of social and sacred architecture from Southwest Asia and North Africa, Elsayed and Demirjian – both diasporic artists from this region – completely reimage Transformer's interior, creating a space intended for engagement, pause, and reflection.
