Transformer is proud to present *E11: Coda*, the 11th year of our *Exercises for Emerging Artists* program. Featuring four unique approaches to sound art by artists: **Alex Braden, Emily Francisco, E. Jane** and **Ian McDermott**, this exhibition presented at Artisphere is the final movement of *Fermata*, a sound art exhibition co-curated by *E11* Lead Mentor, **Ryan Holladay**.

Launched in March 2004, Transformer's *Exercises for Emerging Artists* program was created to support artists at critical points in their professional growth and development, and to advance participating artists' careers. In addition to peer critiques, the participating artists received mentorship and critical feedback from guest mentors: **John Henry Blatter, Alberto Gaitan** and **Christine Sun Kim**.
